

Requirements – Specific Criteria for Ralcorp Suppliers

What to Know

- **Certificate of General Liability Insurance**
 - This certificate must be updated annually and must name **Ralcorp Holdings** as the Insured.
- **Continuing Letter of Guarantee**
 - This document must be updated every three years and must name **Ralcorp Holdings**.
- **Kosher Certification**
 - This certificate must be updated annually and must list the ingredient and facility location.
- **Nutritional Statement**
 - This statement must be for a 100g sample unit.
- **Genetically Modified Organism (GMO) Declaration**
 - Choose either GMO or non-GMO from the list of document names in icix.
- **Supplier Expectations Manual SmartForm**
 - If there are any notes you would like to include about the content within this SmartForm, enter your notes in the provided box on the last page of the SmartForm.
- **Food Security Checklist SmartForm**
 - Enter both the facility name and the facility City and State location on the line that reads **Facility Name/Location**. If your company has multiple facilities that supply **Ralcorp**, a separate **Food Security SmartForm** is needed for each facility.
