

We are Ferrara, a one billion dollar company

A company built on sweet ideas

- We are the **number one** non-chocolate candy manufacturer in the U.S. and the #5 candy company in North America¹
- We are a **\$1B company** formed through the combination of Farley's & Sathers and Ferrara Pan Candy Company in 2012 and headquartered in Oakbrook Terrace, IL.
- We utilize **state-of-the-art manufacturing** locations across the country, combined with a commitment to using the finest ingredients and packaging with a laser-focused understanding of what candy lovers want.

After more than a century of evolution, we combine tradition with innovation to deliver the brands people love
